

## FBR extend the date for the filing of income tax returns

The LCCI President Zafar Iqbal Chaudhry has appealed to Chairman of Federal Board of Revenue (FBR) to extend the date for the filing of income tax returns. In a press statement issued here Wednesday, the newly elected President of the Lahore chamber of commerce and industry said that the date should be extended by one month so that business community could easily submit their returns. He said that business community could not file returns due to trade bodies elections and Eid holidays. He said that an extension in the date of filing of returns would not only facilitate the business community but it would also send a very positive signal about private-public sector liaison.
