

Irfan Ahmad Qureshi

Executive Committee Member

Irfan Ahmad Qureshi is a graduate of the University of Punjab and possesses over 35 years of extensive experience in the tractor and truck parts industry. Coming from a family engaged in this sector since 1920, he carries forward a rich legacy and deep understanding of the market. His professional journey reflects a commitment to excellence, continuous learning, and active engagement with industry developments both locally and internationally.

Professional Journey

Building on his extensive experience and family legacy, Irfan Ahmad Qureshi has played a pivotal role in the growth and modernization of Pakistan's auto parts and foundry sectors. Since 2002, he has actively represented his company at international trade fairs in countries including Germany, the USA, China, South Africa, Dubai, and India on behalf of the Pakistan Foundry Association. His participation in these global events reflects his commitment to expanding business horizons, staying abreast of international industry trends, and fostering strategic partnerships.
