

Sheikh Omer Sarfraz

Executive Committee Member

Sheikh Omer Sarfraz brings extensive professional experience in the steel industry, encompassing trading, imports, and industrial supply. Over the years, he has developed strong expertise in steel procurement, distribution, and market dynamics, establishing himself as a respected leader in the sector. His strategic insight and operational excellence have contributed significantly to business growth and industry advancement.

Professional Journey

With a wealth of experience in the steel trade, Sheikh Omer Sarfraz has established a distinguished career specializing in flat products from Pakistan Steel Mills, including Hot Rolled Coil (HRC), Cold Rolled Coil (CRC), and Galvanized Plain (GP) Coil & Sheet. His professional portfolio also encompasses the import and supply of steel coils, mild steel pipes, steel doors, and shutter line systems, serving diverse industrial and commercial clients across Pakistan. He currently serves as:

- Managing Partner, Omer Steel Traders – Overseeing operations, driving business expansion, and ensuring sustained market competitiveness.
- CEO, Eagle International Pvt. Ltd. – Leading strategic initiatives, fostering growth, and strengthening the company's footprint in the steel and construction materials industry.

Achievements

- Successfully established a strong business network in the steel and import sectors.
- Advocated for fair importer practices and efficient trade processes.

Affiliations

- Vice President, All Iron Merchant and Steel Association
- Governing Body Member, Federation of Pakistan Chambers of Commerce & Industry (FPCCI)
- Vice President, Pakistan Steel Line Pipe Industry Association
